

1325 Wood CNC Machine	
Technical Parameters	
Working Area(X*Y*Z)	1300MM*2500MM*200MM
Spindle Power	3.5KW air Cooling Spindle(Optional:4.5kw/6kw)
Motor	Stepper Motor(servo motor)
Control System	NCstudio Control System(March3/DSP Control system)
Inverter	Sunfar Inverter (Fuling Inverter)
Driver	Leadshine Driver
Guideway	Import 20 Hiwin Square rail
Spindle Speed	0-24000R/Min
Max. Speed	25000mm/min
Mechanical precision	0.01mm
Machine Table	T solt Machine table(Vaccum Machine Table)
Transmission	X-axis and Y -axis rack drive, Z -axis ball screw drive
Software	Type3/JD/Artcam(Free for you)
Voltage	Single phase 220v /50HZ/380V 3 phase
Net weight	1100kg
Gross weight	1200kg
Warranty	1 Year
Wooden Box	We Provide Standard Export Wooden Box
Control Box	Independent Two layers Control Box
Optional parts	Software in CD, Controlling Card (PCI card), Engraving Tools, Allen Keys, Wrenches for Collet locknut, Data Wire, Power Line, Brush, Spanner and Clamp. (These tools all free to you)
Warranty	1 year
Standard Model Price	EXW Factory Price:3000\$
We also can provide 1530,2030,2040,3030 ...models.
